Mail Stop Missing Parts

Sir:

A copy of the Formalities Letter dated September 23, 2003 is submitted herewith.

It is respectfully submitted that the Formalities Letter dated September 23, 2003, was sent in error. The above application was hand carried directly to the Patent and Trademark Office on June 30, 2003, with one sheet of drawings containing Figures 1 and 2. A copy of the two post card receipts which accompanied the application documents is attached hereto. Each item that was filed with the above application papers on June 30, 2003, including the one sheet of drawings, is listed on the post card receipts. One of the post card receipts was stamped by the mail room acknowledging the documents listed thereon, and the other post card receipt was mailed back to the undersigned

attorney after the date of receipt and serial number were affixed thereto.

Since the Patent and Trademark Office has either lost or misplaced the drawing that was filed originally with this application on June 30, 2003, there is submitted herewith a photocopy of the one sheet of drawings to replace it.

Accordingly, it is requested that the application be accorded the filing date of June 30, 2003.

The Commissioner is hereby authorized to charge any required fees associated with this communication and during the pendency of the application under 37 CFR 1.16 and 37 CFR 1.17 or to credit any overpayment to Deposit Account No. 501348. This sheet is submitted in duplicate.

It is requested that any fee charged for the present petition be refunded to the above Deposit Account No. 501348.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'D. Serbin', is written over a horizontal line.
